## IMPORTANT – For Members with CONDITIONAL REGISTRATION

In order for your Conditional Registration to continue, please ensure you have done the following **by 30th JUNE 2018**:

1. Paid your **membership renewal (receipt)** will need to be sighted by a Conditional Registration official).
2. Had your **logbook stamped** (endorsed) by a Conditional Registration Officer.
3. Handed in your **statutory declaration** (copy included with this form, spares available on club website or from Conditional Registration Officers).
4. Had your **current registration papers stamped** for the Conditional vehicle (can be done at same time as logbook).

It is a good idea to do all of these at the same time at the March, April, May or June general meeting (the earlier the better as the June general meeting is typically very busy!)

If any of these have not been done by **30th JUNE** your vehicle will be UNREGISTERED regardless of having a current registration certificate from Services SA/DPTI. The club is LEGALLY OBLIGATED to inform the registrar of motor vehicles of any members who have not renewed (as valid club membership is a condition of having Conditional Registration). NOTE: If you are attending a general meeting to have your logbook stamped, please bring your payment (or payment receipt) with you so that the Conditional Registration Officers can verify that you have renewed. This needs to be done before your logbook can be stamped. Please allow adequate time for your payment to be received if sending a cheque by mail etc.

## PROOF OF MEMBERSHIP AND CLUBCARDS

Your Mercedes-Benz ClubCard is your proof of club membership and valid until the end of 2018. If you have not yet received a Mercedes-Benz ClubCard (i.e. you have joined or renewed after January 2018), please retain your payment receipt as proof of membership until you receive your ClubCard - your ClubCard will be mailed out to you once it is received from Germany (can take up to 3 months).
